

SRC REPS ACTION AGENDA

Meeting Friday 17th March – Week 7, Term 1

1. SRC Motto – Share the new motto with your class (Thanks Jess and Emma for your ideas!)

Individually we are raindrops, but together we are an ocean

2. Survey Results – Top 3 action items as voted by our school for the SRC to work on this year

- 1) We think we need to do more to look after the environment

- 2) We need more ways to help less fortunate people

- 3) Bullying might be a problem we want to fix

Get your class to vote on what they think should be the **NUMBER 1 PRIORITY**

3. **SRC PLEDGE** – This is our proposed pledge for all SRC representatives. Please share with your class the pledge you took today.

SRC rep Pledge

The purpose of the pledge is so that you as SRC representatives can understand and know EXACTLY what your role is and what values you have to represent. We came up with the pledge because we thought that it is a fun way for all the SRC to actually have to tell the whole of the SRC that they are committed to this role.

The pledge

I _____ promise to uphold the responsibility of being an SRC representative. I will be a role model to my peers and will always demonstrate the school values of care, respect and safety. I will try my best to be a good team worker even when others are not. I will communicate to my class after every meeting and be the voice for them. I will follow through with these duties to fulfil my role as an SRC representative.

Thanks Kiana for drafting our pledge!

4. Harmony Day

Please share this information with your class and ask your teacher if you can display this somewhere in the class (thanks Sammy for the flier)
